## [Federal Senate Enquiry into Stillbirths - 20%](#)

There has been 16 recommendations for the prevention and research around stillbirth. A most interesting point is Recommendation 15.

The committee recommends that through the Australian Health Ministers' Advisory Council, the Australian government leads a process to develop and implement a National Still birth Action Plan aimed at reducing the rate of stillbirth in Australia by 20 per cent over the next three years (Budget forward estimates), and including:

- A nationally-coordinated and consistent framework for stillbirth report and data collection;
- An online register of stillbirth research and data;
- National research priorities, and
- A public education campaign.

## [FSEP Free Access 2019 - lobbied for by SOSU on 5 May last year](#)

It has recently been decided at a RANZCOG Board level that there will be significant changes to the FSEP online programs in 2019. From later this year, the two programs, OFSEP and OFSEPlus will be combined into one program, the OFSEP, and be provided free of charge. The program will be updated but retain the sequential compliance based pathway of the current OFSEPlus, including the online quizzes and certification.

## [Maternity Care Providers VC Sessions 2019](#)

The first session of the Maternity Care Providers VC for 2019 will be held on **Monday 11 February 2019** and Dr Carol Kaplanian will be presenting on Family and Domestic Violence. **Please note the February session will be on a Monday.** All other sessions will be on the **2nd Tuesday** of every month.

## [Radical Candor](#)

Would you like to learn how to help empower you and your team to do the best work of your lives? [Click here to watch](#) a very interesting presentation by Kim Scott on how to make that happen using "Radical Candor", in other words its about caring personally and challenge directly.
