Cancer Network WA

Cancer Nurse Coordination Service

For people living in WA
with cancer

**This free service is available
Monday-Friday, 8am to 4pm**

How can the Cancer Nurse Coordination Service help you?

A diagnosis of cancer can be a worrying time for patients, their family and friends.

The Cancer Nurse Coordination Service is a team of specialist nurses located in metropolitan Perth.

The cancer nurses can support you by:

- Helping you through the health care system and connecting you with other supportive services
- Acting as a point of contact
- Providing and explaining information about your diagnosis and treatment.
